## Secure your future with Royal Freemasons

For many people, retirement represents a new beginning, an opportunity to make a change and devote more time to the things they enjoy the most. It's also a time to consider the future, to ensure that your needs can be provided for.

Royal Freemasons offers a number of specialised independent living accommodation options throughout Victoria, all offering the opportunity for access to Royal Freemasons broad network of aged care services and facilities, should they ever be required.

Our independent living units provide retired people with comfortable, attractive and affordable accommodation, in the heart of the community they know and in close proximity to family and friends. Units are well designed to minimise workload and are secure with a well fitted kitchen and all of the comforts you would expect. Many units have their own manageable gardens.

## The benefits in choosing a Royal Freemasons Independent Residence

There are many benefits along with security and a high standard of living for as long as you are able to care for yourself, as an independent resident, including:

- No maintenance costs, rates, council or government property charges
- Visits from the Royal Freemasons team to ensure your needs are being met
- The opportunity to access respite care or ongoing care in one of our residential aged care facilities should you be assessed as requiring it under the government guidelines.
- The opportunity to access one of our four specialist units caring for persons with dementia should the need arise in the future.

## How much will I pay for an Independent Living Unit?

Funding options are available depending on preferences, needs and eligibility including the possibility of rental assistance. Units and supported units (for residents with limited funding) are the two main categories. For units, there are various payment options, involving an ingoing contribution and an on-going monthly accommodation fee, but offering a choice of higher or lower upfront payments.
