FOR YOU FOR LIFE

Dementia Friendly Spaces

Royal Freemasons seeks your support to help improve the quality of life of residents living with dementia.

Summer Appeal 2018

Your contribution will help us enhance more programs and will make a real difference to the health and wellbeing of our residents and the wider community.

Your generous, tax deductible contribution will enrich the experience of our residents living with dementia by relieving some of the physical and mental symptoms of the condition.

With your help, we can create well designed spaces for residents, loved ones and carers, including the opportunity to be actively involved in getting together to enjoy the soothing surrounds of dementia gardens.

An open plan garden and living space is recommended, as well as calming colours.

Being outdoors can be of enormous benefit to those living with dementia. Fresh air helps regulate sleep cycles, being in the garden can become a social activity, and the smells and sounds can be hugely comforting.

Often individuals with dementia can become disoriented and uneasy so it's important to create a space that is both multi-sensory and stimulating, but always safe and secure.

Suggested donation opportunities are listed on the reverse side of this leaflet.

Building a Dementia Friendly Space

With your help, we can create well designed spaces for residents, families and employees, providing an opportunity to be actively involved in caring together to enjoy the soothing quality of dementia gardens.

Please select which amount you would like to sponsor from the following list of donation opportunities and mark on the coupon.

Your donation means so much to our residents.

No matter how small or large, everyone who contributes to the *Royal Freemasons Building a Dementia Friendly Space Appeal 2018* makes a big difference to enhancing the lives of our residents.
