FOR YOU FOR LIFE

Help give our loved ones the advantages of staying in-touch.

We're asking for your help in fundraising for digital tablets, such as *iPads, for our residents at Royal Freemasons homes.

With your support, when you can't be there, you and your family can stay in touch with photos, Skype, and email.

Your loved ones will help educate themselves with online access to healthy living and lifestyle choices.

While keeping their minds active on the internet, they will also enjoy games, movies, music and 'Healthful' Apps.

Our goal is for each of our older residents to have a digital tablet.

Our target is to raise \$50,000 between mid-November, 2013 and March 31, 2014, which will go a long way to making this possible.

Give generously so that many residents can participate in the world of digital communications.

Your Donation Means a Great Deal to Residents.

No matter how small or large, everyone who contributes to the **'For You For Life' Appeal** makes a big difference to the lives of our residents. Having a special fund dedicated to providing Digital Tablets ensures we can directly and quickly enrich their lives in new ways.

Thank you for giving and we look forward to reporting on the rollout in future months.
