HOURS OF SERVICE

Our hours of service range from one-hour to multiple-hour shifts, depending on your needs. Services are provided Monday to Friday from 8am–4pm and nursing support is also available on the weekend, if required.

PAYMENTS

For most older Australians, the cost of Home Care is subsidised by the Federal Government. As the government covers most of the hourly rate of Home Care services under CHSP, this fee schedule only shows you the co-payment cost, which is the out-of-pocket cost to you.

You can pay this cost via a monthly invoice, or you can choose to set up a direct debit payment. We do not accept cash or cheque payments.

COMMUNICATON

For ease of communciation, please provide your email address so we can email you or a representative of your choice. Please be assured that we will not share your email address with any third parties, and you will not receive any communications without your consent. You may also update or withdraw your email address at any time.

REGIONS

Royal Freemasons covers the South, East, and Western regions, but not all services are provided in every region, as this depends on government funding and arrangements.
